Electronic Filing:

Electronic filing is the means by which your return is transmitted directly to the IRS and state tax authorities. The IRS has implemented an electronic filing mandate requiring certain preparers, including this firm, to file all returns that they prepare electronically. Some states also require certain preparers to electronically file state returns prepared. The IRS and some states allow taxpayers to elect not to file their returns electronically.

Do not electronically file the federal return

Do not electronically file the state return(s)

Note: The IRS and some states that require returns to be electronically filed also impose fees and/or penalties for failure to do so. If you checked either of the boxes above, you may be required to sign an "opt-out" form before we can release your returns. As a follow-up we will contact you to discuss these requirements and your ability to "opt-out" of electronic filing.

The IRS requires, and many states allow, the use of a Personal Identification Number (PIN) in lieu of mailing a signature document when electronically filing.
